How can I add the counter to my website?

1. Log into your Bravenet account
2. Make sure you are on the Dashboard
3. Click on "Counter & Live Stats" in your list of Web Tools
4. Click "Manage Counters"
5. Click on the "Copy/Paste Code" link beside the counter which you would like to use.
6. Highlight and Copy the code and paste it into the body section webpage
7. Save and publish/upload your revised webpage.
